**PRINTING INSTRUCTIONS:**

*option 1*

**Home** | Simply print from your home computer.

*option 2*

**Local Print Shop** | Send your prints to your local print shop where they can be printed with high quality printers on high quality paper. Make sure you specify the size you want for your space. This extra step will make them look even more beautiful!

Go to the website of your local print shop and follow their instructions for uploading your prints. We also recommend calling the shop to double check that everything is right to avoid any confusion!

\*This artwork is hi-resolution and can be expanded up to an 11x14 print. If you choose to print them as 11x14 you will need to send them to your local print shop.

**FINISHING TOUCHES:**

**Frame** | Complete the prints by placing them in a frame. You can even go a step further by adding a mat around each print. Visit your local craft store to have this completed for you, or you can do it yourself. Just remember to adjust the size of your frames if you plan on matting your prints.

*These bulb prints were illustrated by Annie Mertlich of Wildfield Paper Co. To see more of her beautiful work, check out her website [www.wildfieldpaperco.com](http://www.wildfieldpaperco.com)*
