**PRINTING INSTRUCTIONS:**

*option 1*

**Home** | Simply print from your home computer.

*option 2*

**Local Print Shop** | Send your prints to your local print shop where they can be printed with high quality printers on high quality paper.

Go to the website of your local print shop and follow their instructions for uploading your prints. We also recommend calling the shop to double check that everything is right to avoid any confusion!

**FINISHING TOUCHES:**

**Frame** | Complete the prints by placing them in a frame. You can even go a step further by adding a mat around each print. Visit your local craft store to have this completed for you, or you can do it yourself. Just remember to adjust the size of your frames if you plan on matting your prints.
